

South Jersey Healthcare – Elmer Hospital

## *Building on Excellence* Elmer Hospital Capital Campaign Commemorative Naming Opportunities

Donors to the South Jersey Healthcare Foundation are investing in the future of health care in our communities. Commemorative Naming Opportunities offer a donor the chance to become a part of the history and next generation of this great healthcare system. To commemorate gifts and honor donors, the SJH Foundation offers naming opportunities for financial commitments of \$5,000 or more for patient rooms, nurse stations, departments, etc. Appropriate recognition may include specially designed plaques and dedication ceremonies showing donor names and, in many cases, inscriptions honoring loved ones or marking the occasion. Payment period is **thirty-six months or less**.
