

ONE GIFT for a Healthier Community

2010 Annual Appeal for SJH HospiceCare & SJH Foundation

How has your One Gift for a Healthier Community made a difference in 2010? Here are some of the comments we have received:

"My family and I were treated with the utmost respect. I would like to express my heartfelt thanks to all of the hospice people that were here for me and my family. May God bless all of you."

"We were fortunate to have hospice services the last week of my mother's life. Without your help, our family would not have been able to get through this time. You are a helpful, caring and wonderful group of people. Thank you for your kindness and support during this difficult time."

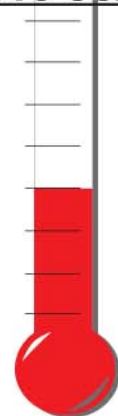

"My granddaughter was born prematurely and needed a lot of special care. The nurses and doctors at the Regional Medical Center nursery stabilized her and provided 'round-the-clock care. I am so grateful that she is now healthier and growing stronger every day."

To date, the 2010 Annual Appeal for South Jersey Healthcare (SJH) HospiceCare and SJH Foundation has raised over \$60,000 through your generous support. These dollars help both hospital and hospice patients get the medical attention they need. But, we're still short of our goal and we need your help.

As we prepare to celebrate the holidays with our loved ones, we must remember those with life-limiting illnesses and life-threatening emergencies and surgeries. Help us make a difference in the lives of your family and friends in the communities we serve. All donations received before December 31st qualify for a charitable deduction in 2010.

Thank you for supporting our mission to provide the best health care in southern New Jersey.

2010 GOAL

By helping us reach our 2010 goal, your donation is truly a "Gift for a Healthier Community."
