care for the families and friends of our community.

We are all concerned for the health of those nearest and dearest to us. Our thoughts and

actions naturally gravitate toward personal need, sometimes leaving little room for also helping our neighbors. Now is the time to join together to make a commitment to quality and compassionate health care for each and every one of us.

SJH is seeking partners to help us to continue to deliver excellence throughout the broad continuum of inpatient and outpatient services to meet our medical needs. Your generosity will advance the health and well-being of your family and impoverished families as well.

When acute care is needed, our SJH Regional Medical Center, SJH Elmer Hospital and SJH Bridgeton Health Center are ready 24/7/365. For preventative medicine, SJH offers

Annual Giving:

A Tradition of Generosity

South Jersey Healthcare has always relied on voluntary support to help provide patients with the finest possible care. Our generous contributors help this tradition continue. Your annual giving contributions go towards the purchase of medical equipment and pay for beneficial community health care services and programs.

Only with your donations to the SJH Foundation can we continue to ensure that patients always receive the best in patient care.

It takes a community to support quality health care. We need your help this year more than ever.

Watch your mail for our annual giving appeal. To make an annual giving donation today, call the SJH Foundation office at 856-691-6551, or visit www.sjhfdn.org and click on Ways of Giving.

New Members Join SJH Foundation Board

The South Jersey Healthcare (SJH) Foundation recently introduced three newly-appointed members of its Board of Directors – Emily Abeledo-Adams, Edward Bethea and David Hemple. Each of the new members has a history of community service with various charities and organizations in South Jersey, making them welcome additions to help us in our work to ensure the advancement of health care in the region.

“It is exciting to welcome new members to the SJH Foundation family,” said Carolyn Heckman, Executive Director of the SJH Foundation. “We need the enthusiasm and experience of individuals like Emily, Ed and Dave to enable us to continue our mission of providing financial resources to SJH that support the delivery of quality health care.”

EMILY ABELEDO-ADAMS is a funeral director with Adams Funeral Homes in Penns Grove and Elmer. She is a trustee of the Salem

Health and Wellness Foundation, Chairperson of the Grant Making Committee, an ambassador for the Salem County Chamber of Commerce and has served numerous community and volunteer organizations throughout the years.

EDWARD BETHEA is Senior Vice President and COO of Tri-County Community Action Partnership, which houses more than

110 programs under one roof, working to help residents improve their quality of life and promote self-sufficiency.

He is former Treasurer and lifetime member of the Greater Vineland branch of the NAACP, President of the Bridgeton Main Street Association Board of Directors, and a member of the Cumberland County Planning Board, Cumberland County Empowerment Zone and South Jersey Economic Development District. He is also a member of Union Baptist Temple in Bridgeton.

DAVID HEMPLE, President and CEO of Century Savings Bank, is a member of the CEO Group of Cumberland County and the Bridgeton

and Vineland Area Chambers of Commerce. He is also Director of New Jersey Banker’s Board of Governors and is Treasurer of the Woodruff United Methodist Church.

We would like to extend a warm thank you to Sparks Electric from Monroeville for use of their bucket truck on January 5, 2009. An elevated photo of Elmer Hospital was needed for donor recognition as part of the *Building on Excellence* Capital Campaign and the Sparks crew was invaluable for this purpose.

Auxiliary Hosts Princesses at Annual Party

The SJH Auxiliary hosted its annual Princess Party on Saturday, March 21, entertaining 100 princesses from ages 2-6 with parents and grandparents. Each princess received a loot bag, souvenir photo, nail painting, crafts and snacks. The SJH Auxiliary once again recruited the help of Lisa Taylor from Party Works to bring in key elements of the party, including Disney princesses. Taylor has been assisting with the event since it began in 2005. The Princess Party raised more than \$2000 and all proceeds benefit the SJH Foundation.

A Gift for a Healthier Community –

Major and Planned Giving Opportunities

“Quality health care...can I make a difference?”

Quality health care is not something we take for granted. At South Jersey Healthcare (SJH), we greatly appreciate the generosity of individuals, foundations and corporations in our region that continually help us to provide quality health care for the medical needs of all. The SJH Foundation invites you to consider *A Gift for a Healthier Community*.

This year, we are reaching out to friends and potential donors throughout southern New Jersey in a concentrated initiative to increase our endowment fund at the SJH Foundation. The earnings from this fund enable us to pay for many enhanced programs and

services at the SJH Regional Medical Center, SJH Elmer Hospital and SJH Bridgeton Health Center.

You can make your contribution in many convenient ways: cash, a major gift with a naming opportunity, a planned giving vehicle such as a charitable remainder trust or as a bequest in your will. However you choose to make your donation, you will ultimately help us to continue to provide quality health care for generations to come. To learn how you can help, call the SJH Foundation office today at 856-691-6551. Remember, the gift of a healthier community begins with you!

Pave the Way

Help "Pave the Way" at the SJH Regional Medical Center (RMC) and SJH Elmer Hospital while enhancing the level of health care for our entire region. Purchase a brick to be placed in the landscape design areas surrounding the entrance and courtyards of the RMC or Elmer Hospital. All proceeds benefit the SJH Foundation and can be inscribed with the donor's name or in memory or honor of a loved one. Engraved bricks are available for \$250.

Bricks can be purchased online at www.sjhfdn.org or by calling the SJH Foundation office at 856-691-6551.
